PROFILE

I am self-educated and very passionate about programming. I learned MERN Stack and now working with this stack freelancer. I'm constantly seeking opportunities to learn new concepts, technologies, and tools to create the best possible user experience.

INTERNSHIPS

Kalbonyan Elmarsos   Apr 2022 - Sep 2022
Online internships

Kalbonyan Elmarsos took me from zero knowledge about programming until I became able to deal with programming through carefully selected courses from the work team and from the number of projects that were worked on during this period. With kalbonyan elmarsos, I was able to be a developer capable of dealing with the labor market and competing in it.
